Report of Principal and School Improvement Council

Brennen Elementary School is a flagship institution for elementary education throughout South Carolina, as exemplified by our Palmetto's Finest Finalist status for 2011. The school is situated in a residential section of Columbia and serves approximately 800 students in grades K through 5. Brennen's greatest strengths come from its strong student achievement, excellent parent and community support, comprehensive social action projects, and continuous professional development.

We are proud of the student achievement and numerous school honors that have come to us at Brennen in recent years. We have maintained a rating of Excellent or Good on the SC School Report Card. Also, for 9 of the 11 years, we have maintained Palmetto Gold or Silver Award status. For years, we have continued our status as a Red Carpet School. Numerous 5th graders won honors in the junior division at the USC Region II Science and Engineering Fair. We utilize the latest technology, such as interactive white boards and a wireless mobile computer lab, to maximize our students' achievement. Our students participate in art, music, PE, Spanish and drama classes. First through fifth graders perform in full-length plays.

Our parent and community support is quite impressive. The PTO sponsored its 8th fund-raising auction, raising \$60,000 during that one evening and attracting approximately 300 attendees (PTO raised \$102,000 over the entire school year). Among the PTO activities that regularly bring in hundreds of attendees are Harvest Happening, Spring Supper, Back-to-School Bash, Walk Your Child to School Day, and Grandparents' Day. Our SIC is quite active, too. In 2011, we were statewide finalists for the SC-SIC Dick and Tunkley Riley School Improvement Award. The members broadened school-to-family communication, created the student directory, and assisted teachers with many classroom activities and needs. Our neighborhood Kilbourne Park Baptist Church members serve as our Faith-Based Partners and allow us to have our 5th Grade Promotion Ceremony in their gym. USC's Foreign Language Department students have continued to provide German instruction to interested students in one of our after-school programs.

Our Social Action Projects included Pennies for Patients (\$1,000 for the Leukemia Society), Jump Rope for Heart (\$8,336 for the American Heart Association), Harvest Hope Food Drive (1,567 pounds), Walk for Life (\$895 for the American Cancer Society), Make a Wish Foundation (\$568), Leukemia Society (\$91), Ronald McDonald House (16 lbs of tabs) and United Way (\$949).

In much the same way, we have continued our emphasis on professional development. We have continued Stages One and Two of HET (Highly Effective Teaching) and provided multiple-year coaching for our faculty and staff. Stage One focuses on the physical and emotional environment of the school. Stage Two addresses curriculum and instruction issues. In addition, our teams of teachers have worked to become true Professional Learning Communities.

All of us associated with Brennen Elementary School are proud of our 62-year history of academic excellence and have pride in the outstanding elementary school experience that we provide for our students.

Dr. Marian Crum-Mack, Principal
Steve Searcy, SIC Chairperson

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
